Information about selecting a nursing home is available from the ombudsman program. **Certain small rural hospitals have a “swing bed” agreement. Under this agreement, the hospital is participating in Medicare and has approval to provide post-hospital skilled care and meets certain requirements. Medicare Part A (the hospital insurance program) covers post-hospital extended care services given by a swing bed hospital. This allows an individual to get rehabilitation in a rural hospital instead of having to go to a nursing home.**

HOME IMPROVEMENT SCHEMES

Usually a salesperson comes to your door saying they spotted something deficient with your home. They offer to do the job immediately. They always insist on cash up-front. **Do not pay it!**

LIVING TRUST SCAM

Pressuring unsuspecting seniors into buying living trusts that they may not want or need using kits, which on average cost \$1,500.

MAGAZINE SUBSCRIPTIONS

The company calls you up. If you buy their magazines, you will be entered in their prize drawing. You usually receive the magazine but get a phone call shortly after to buy more magazines to go even higher in the prize lottery. Seniors often spend \$800 or more per year on magazine subscriptions.

MEDICAL EQUIPMENT DEVICES

They often leave flyers in mailboxes or solicit you in the hospital or doctor's parking lot. You are told to go to them and for a small fee Medicare will pick up the entire bill.

SWEEPSTAKES WINNERS

You receive an unsolicited phone call stating you have won a foreign lottery or a prize. Person states you only have to send a little money to receive the winnings or prize. You will usually be asked to send the money to a post office box so that it cannot be traced.
